

The Inn At Fox Hollow values its guests and team members and is committed

to following the CDC Guidelines to ensure Health, Cleanliness & Safety

During this crisis The Inn At Fox Hollow is successfully & safely maintaining daily operations

- Face Masks / Face Covering is required in all public areas of The Inn At Fox Hollow
This is for all employees and guests
- Signage is posted at Hotel entrances, main lobby and elevators indicating face mask policy
- Protective Plexi Glass shield to be installed at Front Desk work stations
- Employees and guests must maintain social distancing
- Employees and guests are encouraged to practice frequent hand washing
- Hand sanitizer is available for use at the Front Desk
- Guest rooms remain vacant for 3 days after check out and then cleaned and sanitized
- Hospital Grade Disinfectant utilized. Enhanced cleaning protocols of all public areas including main lobby, fitness room, guest laundry, elevators and restrooms
- Increased cleaning frequency of all public areas
- Guests ordering take out / delivery must meet delivery person in the main vestibule
- Room service is open and available. All chefs and servers are required to wear gloves and masks
- The buffet area is currently closed
 1. Breakfast will be delivered to the guest room daily
 2. Dinner will be delivered to the guest room Monday-Thursday evenings

We look forward to continuing taking care of our guests at Long Island's All Suite Boutique Hotel
